OUR STUDENTS SPEAK!

HSC: 1ST RANK IN JKSC

JKSC = RANKERS' FACTORY Ever since I enrolled with JKSC, I knew that it's the perfect institution for pursuing CA. I cleared CAFC through JKSC and was confident enough to register myself for CA Inter Early Bird Batch, which commenced 4 days after the end of CAFC examination. I got the opportunity to go to Gir Residential Programme in November which changed my way of study and schedule drastically. The 45 days that were spent together with the faculty, coordinators and colleagues aiming for rank in CA Inter from all over India was a wholesome experience.

The strict schedule disciplined us all enough along with weekly tests which motivated us to study even more. The Sundays were off after 4 pm which were used to rejuvenate our drained energy. I would highly recommend J.K. Shah Classes for students desiring to pursue CA. If you have already enrolled with JKSC, then don't miss the opportunity to grab Early Bird Offers and events like the Residential Programme!

JK Shah Classes ensures that the learning environment is marked by discipline, integrity, and a dedication to academic excellence. I started my journey with JKSC from Std. XI and continued the same for CAFC. I'm currently pursuing CA Inter coaching here. The professors have always been great with providing conceptual clarity and constantly guide us by providing us last minute exam tips.

The study material provided at all levels has been exhaustive and easy to understand. The online dashboard and subject doubt solving numbers were very helpful post-classes in my study period of Std. XII and CAFC. It's been a great journey so far!

STUDYING WITH JKSC IS AN ENRICHING EXPERIENCE!

Thanks to the unparalleled coaching I received at J.K. Shah Classes, I could achieve one of the highest ranks in HSC 23 Board (Commerce). The method of teaching here gives students an all-round overview of the subjects, with focus on fundamentals and core concepts. The teachers do an excellent job of relating the concepts to real world instances making it easy for us to understand.

I found all teachers at the institute to be very approachable, helpful, and kind. They were always available for doubt solving, concept clarification, answer writing, paper presentation, etc. which is key in achieving success at any board examination. With their strict yet efficient paper checking methods, I honed my answer writing skills, and time management. Consistency is indeed the key, and JKSC ensured my morale was always high!

SOHAM SHEWALE

HSC: 95.83%

I have enrolled in J.K. Shah Classes right from my FYJC because I think a good foundation is important, and who better to build one than JKSC, with their forty years of legacy!

I express my deepest gratitude to the teachers as well as the non-teaching staff for their unwavering support and commitment to providing an excellent learning experience.

JKSC offers a batch completion date that is significantly earlier than the board exams, which helps us plan our schedule appropriately. Other resources like 24-hour accessibility to recorded lectures on our dashboard, doubt helpline numbers, weekly test series, revision lectures, and mock board exams really helped me stay on top of my studies.

The demanding curriculum combined with the guidance of experienced teachers of JKSC have equipped me for the difficulties that lie ahead. I have no doubt that the values and principles that were ingrained in me by my teachers will continue to direct my future pursuits.

PROFESSORS PROVIDE CONCEPTUAL CLARITY & CONSTANT MOTIVATION

JKSC IS KNOWN TO BE THE LEADER IN COMMERCE COACHING AND UNDOUBTEDLY IT IS!

The faculty would simultaneously cater to everyone's doubts so that the class is on track. The accounting faculty made sure that our concepts were clear by giving undivided personal attention, connecting book terms with real life situations and doubt solving sessions.

They helped to complete the syllabus in such a way that we got ample time for our revision and doubt-solving from study material provided by them. Their process of taking multiple tests and prelims before 12th boards gave me self-assurance and confidence to appear for my final exams; and made my foundation of commerce stronger.

Those in-between games provided a quick refresh to our mood during theory lectures. JKSC recorded lectures were a cherry on the cake. Specifically, Ashish sir's online lectures proved to be a boon for my mathematics knowledge and understanding.

YASHVI DOSHI

HSC: 95.50%

I joined JKSC to prepare for my HSC and CA Foundation exams. It has turned out to be the best decision. I cleared my HSC in flying colours by securing 2nd place in my college and have been awarded 2 scholarships for the same.

I have already appeared for my CA Foundation exams and am awaiting the results. This was only possible because of the knowledgeable and ever so helpful teachers of JKSC. Additionally, the events hosted by J.K. Shah Sir and the support team provide invaluable information related to various topics like the scope of CA, CS, CFA, CMA and other courses, how to prepare for the exams, how to plan the studies etc.

I have always felt well-prepared with no scope for last minute surprises.
